NORTHWICH V.E. LIMITED

STRATEGIC REPORT

FOR THE YEAR ENDED 31 DECEMBER 2018

The directors present the strategic report for the year ended 31 December 2018.

Principal activities and review of the business

The company's principal activity during the year was the provision of optical goods and services. No change is planned to these activities.

Strategy

The company's primary objective is to provide high quality and affordable eye care to more and more customers. The company aims to provide the best individual optical care, being with our customers every step of the way, delivering service and quality at a fair price.

The key elements to the company's strategy for future growth and profitability are:

- Delivering the best optical care through our people for every customer, every day.
- Retention of existing customers, and acquisition of new customers, through direct marketing, rewards online and brand advertising.
- Investments in our employees, to attract, develop, engage and retain the best people.
- A focus on ensuring we have an excellent and innovative product offer including a wide range of frames.

Future outlook

The company continues to invest in its equipment, product, and people, to maximise opportunities to retain and grow its customer base within a competitive market.

NORTHWICH V.E. LIMITED

STRATEGIC REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2018

Principal risks and uncertainties

The key business risks affecting the company are set out below:

Supply chain

The company sources its products from companies predominantly within the group. The company is exposed to potential supply chain disruptions due to a number of factors including delays and losses of inventory in transit. The company mitigates its risk through appropriate insurance coverage.

Business interruption

The company has a risk associated with potential interruption to business in the store. This risk is mitigated through an effective disaster recovery plan, supplemented by appropriate insurance coverage.

National and global economic trading conditions

The overall performance of the company is dependent, to some degree, upon the overall national economy, although balanced by the fundamental need of customers for optical care and services. The risk of continuous difficult economic trading conditions is partly mitigated by continued management focus and tactical change to deliver services and products in line with the customer's changing needs, driving competitive advantage.

Regulatory changes

The overall performance of the company is dependent upon any future regulatory changes which may be imposed by either HMRC or other Government or Regulatory bodies.

Property occupancy costs

As a high street retailer, the occupancy costs, particularly rents, are a significant cost to the business. Where applicable the company continues to negotiate rent reviews that are appropriate in the current economic climate in order to mitigate risks.

Customer preference

The company has a risk of becoming less relevant to its consumers, due to competition, or to the products and services and the way in which they are offered. This risk is mitigated by continued investment in its people, products, marketing campaigns, promotions, and continuously developing the portfolio of high-quality exclusive brands, all helping to ensure the company remains relevant to its consumers.

Industry risks

Changing consumer patterns or vision correction alternatives that become popular could impact future growth and profitability. The Vision Express brand has a proven ability to adapt to changing market dynamics. The company also expects eye correction alternatives would be slow to take hold as many customers prefer to wear glasses over medical solutions that involve surgery.

Key performance indicators (KPIs)

Given the straight forward nature of the business the company's directors are of the opinion that analysis of KPIs is not necessary for an understanding of the development, performance or position of the business.

Director

Abbeyfield V.E. Limited

NORTHWICH V.E. LIMITED

DIRECTORS' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2018

The directors present their annual report and financial statements for the year ended 31 December 2018.

Directors

The directors who held office during the year and up to the date of signature of the financial statements were as follows:

Abbeyfield V.E. Limited
Ranald Allan
Dawn Peters
Beverley Nelson
Philip Hyde
Jonathan Lawson

Results and dividends

The results for the year are set out on page 9.

Dividends of £100,000 were paid during the year (2017: £126,000).

Matters of strategic importance and the future outlook of the company are considered within the strategic report.

Financial risk management

The company's operations expose it to a variety of financial risks that include the effects of interest rate risk, credit risk and liquidity risk. The directors actively manage these risks by monitoring levels of risk and related costs.

The company has implemented policies to ensure that appropriate credit checks are carried out on potential customers before credit sales are made.

NORTHWICH V.E. LIMITED

DIRECTORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2018

Employees

It is the company's aim to create a culture of performance, engagement and involvement to attract, develop, engage and retain the best people, putting our customers first each and every day.

Through our workforce we aspire to reflect the diversity of our customers and the communities in which we work and it is our policy to ensure we operate a working environment which is free of discrimination on any grounds. Equal opportunity shall be given to all at every stage of the employment journey from a fair and transparent recruitment process through to training, career development and promotion. We require all of our employees to treat each other with dignity and respect, free from harassment or bullying both inside and outside the workplace.

The company places significant value on the engagement and involvement of its employees and has continued to focus on keeping them informed on matters affecting them as employees and on the various factors affecting the performance of the company. There are a variety of mechanisms implemented to achieve this, including manager and team briefings, newsletters, podcasts, video briefs, publications, roadshows, surveys, appraisals, employee forums and attendance at annual conferences.

Investment in the training and development of our people is core to everything we do, and to ensuring we can best serve our customers now and in the future. This is delivered through our comprehensive and established training and development path throughout the business alongside external investment in professional career sponsorship.

As an employer we are committed to a fair, equitable and transparent approach to total remuneration. It is our policy to set our entry level role rates of pay ahead of statutory minimums and to provide a competitive and valued total reward package at all levels of the company governed by our Remuneration policy and salary structure and benchmarked annually.

Our policy is to fulfil our obligations under current employment legislation through access to an active trained HR department alongside appropriately trained line managers and supported by outside expert counsel.

The health, safety and wellbeing of our people is essential, therefore it is our policy to carry out our business so as to avoid causing any unnecessary or unacceptable health, safety or wellbeing risks to any of our employees.

Employment of people with disabilities

It is our policy that people with disabilities should have fair consideration for all vacancies within the company. The company is therefore committed, where possible, to ensuring that people with disabilities are supported and encouraged to apply for employment and to achieve progress once employed. They will be treated so as to ensure that they have an equal opportunity to be selected, trained and promoted. In addition, every reasonable effort is made for disabled persons to be retained in the employment of the company by investigating the possibility of making reasonable adjustments to the job, workplace or equipment.

Auditor

In accordance with the company's articles, a resolution proposing that UHY Hacker Young be reappointed as auditor of the company will be put at a General Meeting.

NORTHWICH V.E. LIMITED

DIRECTORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2018

Statement of directors' responsibilities

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement of disclosure to auditor

So far as each person who was a director at the date of approving this report is aware, there is no relevant audit information of which the company's auditor is unaware. Additionally, the directors individually have taken all the necessary steps that they ought to have taken as directors in order to make themselves aware of all relevant audit information and to establish that the company's auditor is aware of that information.

On behalf of the board

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF NORTHWICH V.E. LIMITED**

Opinion

We have audited the financial statements of Northwiche V.E. Limited (the 'company') for the year ended 31 December 2018 which comprise the statement of comprehensive income, the statement of financial position, the statement of changes in equity and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2018 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's *responsibilities for the audit of the financial statements* section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)
TO THE MEMBERS OF NORTHWICH V.E. LIMITED

Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of our audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report and the directors' report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)
TO THE MEMBERS OF NORTHWICH V.E. LIMITED

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: <http://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

NORTHWICH V.E. LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2018

1 Accounting policies

Company information

Northwich V.E. Limited is a private company limited by shares domiciled and incorporated in England and Wales. The registered office is Ruddington Fields Business Park, Mere Way, Ruddington, Nottingham, NG11 6NZ.

The company's principal activities are disclosed in the strategic report.

1.1 Accounting convention

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £ 000.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

Reduced disclosures

In accordance with FRS 102, the company has taken advantage of the exemptions from the following disclosure requirements;

- Section 7 'Statement of Cash Flows' – Presentation of a Statement of Cash Flow and related notes and disclosures.
- Section 11 'Basic Financial Instruments' & Section 12 'Other Financial Instrument Issues' – Carrying amounts, interest income/expense and net gains/losses for each category of financial instrument.
- Section 33 'Related Party Disclosures' – Compensation for key management personnel

The financial statements of the company are consolidated in the financial statements of GrandVision N.V. The consolidated financial statements of GrandVision N.V. are available from The Base, Evert van de Beekstraat 1-80, Tower C, 6th floor, 118 CL Schiphol, The Netherlands.

1.2 Going concern

Despite having net current liabilities at the year end, the financial statements have been prepared on the going concern basis on the grounds that the directors of Abbeyfield V.E. Limited have confirmed their continued support for at least 12 months following the date of approval of the financial statements.

The company meets its day-to-day working capital requirements through its bank facilities. The company forecasts and projections, taking account of reasonably possible changes in trading performance, show that the company should be able to operate within the level of its current facilities. The directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future.

NORTHWICH V.E. LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2018

1 Accounting policies

(Continued)

1.3 Turnover

Turnover is recognised at the fair value of the consideration received or receivable for sale of goods and services to external customers in the ordinary nature of the business. Turnover is shown net of VAT.

Turnover is recognised when it and the associated costs can be measured reliably, future economic benefits are probable, and the risk and rewards of ownership have been transferred to the customer. Sales of goods are recognised at the point of sale, except for payments received for goods not collected within the financial year that are deferred until collected and in respect of warranty products that are spread over the life of the agreement.

1.4 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Leasehold improvements	10 years
Fixtures, fittings & equipment	3-10 years

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is credited or charged to profit or loss.

1.5 Impairment of fixed assets

At each reporting period end date, the company reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

NORTHWICH V.E. LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2018

1 Accounting policies

(Continued)

Recognised impairment losses are reversed if, and only if, the reasons for the impairment loss have ceased to apply. Where an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

1.6 Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost is determined by a weighted average of charges throughout the financial year.

At each reporting date, the company assesses whether stocks are impaired or if an impairment loss recognised in prior periods has reversed. Any excess of the carrying amount of stock over its estimated selling price less costs to complete and sell is recognised as an impairment loss in profit or loss.

Reversals of impairment losses are also recognised in profit or loss.

Consignment stock is recognised when substantially all of the risks and rewards of ownership have been transferred to the company.

1.7 Cash and cash equivalents

Abbeyfield V.E. Limited, the controlling party, has control over the company's banking arrangements and hence the company's cash balance is included in amounts owed by/(to) the controlling party.

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less.

1.8 Financial instruments

The company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments. The company has taken advantage of exemptions from disclosure requirements in relation to these provisions.

Financial instruments are recognised in the company's statement of financial position when the company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

NORTHWICH V.E. LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2018

1 Accounting policies

(Continued)

Other financial assets

Other financial assets, including investments in equity instruments which are not subsidiaries, associates or joint ventures, are initially measured at fair value, which is normally the transaction price. Such assets are subsequently carried at fair value and the changes in fair value are recognised in profit or loss, except that investments in equity instruments that are not publicly traded and whose fair values cannot be measured reliably are measured at cost less impairment.

Impairment of financial assets

Financial assets, other than those held at fair value through profit and loss, are assessed for indicators of impairment at each reporting end date.

Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows have been affected. If an asset is impaired, the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in profit or loss.

If there is a decrease in the impairment loss arising from an event occurring after the impairment was recognised, the impairment is reversed. The reversal is such that the current carrying amount does not exceed what the carrying amount would have been, had the impairment not previously been recognised. The impairment reversal is recognised in profit or loss.

Derecognition of financial assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the company transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

Classification of financial liabilities

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

NORTHWICH V.E. LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2018

1 Accounting policies

(Continued)

Basic financial liabilities

Basic financial liabilities, including creditors, bank loans, loans from fellow group companies and preference shares that are classified as debt, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Other financial liabilities

Derivatives, including interest rate swaps and forward foreign exchange contracts, are not basic financial instruments. Derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value. Changes in the fair value of derivatives are recognised in profit or loss in finance costs or finance income as appropriate, unless hedge accounting is applied and the hedge is a cash flow hedge.

Debt instruments that do not meet the conditions in FRS 102 paragraph 11.9 are subsequently measured at fair value through profit or loss. Debt instruments may be designated as being measured at fair value through profit or loss to eliminate or reduce an accounting mismatch or if the instruments are measured and their performance evaluated on a fair value basis in accordance with a documented risk management or investment strategy.

Derecognition of financial liabilities

Financial liabilities are derecognised when the company's contractual obligations expire or are discharged or cancelled.

1.9 Equity instruments

Equity instruments issued by the company are recorded at the proceeds received, net of transaction costs. Dividends payable on equity instruments are recognised as liabilities once they are no longer at the discretion of the company.

1.10 Taxation

Taxation expense comprises current and deferred tax recognised in the reporting period. Tax is recognised in the profit and loss account, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case tax is also recognised in other comprehensive income or directly in equity respectively.

NORTHWICH V.E. LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2018

1 Accounting policies

(Continued)

Current tax

Current tax, including UK corporation tax and foreign tax, is the amount payable in respect of the taxable profit for the year or prior years. Taxable profit differs from total comprehensive income because it excludes items of income or expense that are taxable or deductible in other periods. Tax is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Current tax assets are recognised when tax paid exceeds the amount of tax payable.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date, where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date.

Deferred tax assets are considered as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits or deferred tax liabilities in the foreseeable future against which to recover carried forward tax losses and from which the future reversal of underlying timing differences can be deducted.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

1.11 Employee benefits

The costs of short-term employee benefits are recognised as a liability and an expense, unless those costs are required to be recognised as part of the cost of stock or fixed assets.

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the company is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.12 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

NORTHWICH V.E. LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2018

1 Accounting policies

(Continued)

1.13 Leases

Leases where the lessor retains substantially all the risks and rewards of ownership are classified as operating leases. Lease payments are charged to the profit and loss account on a straight line basis over the term of the lease.

Reverse premiums and similar incentives on property leases are accounted for treated as deferred income and are released to the profit and loss account on a straight line basis over the lease term.

Premiums are paid to acquire property leases. The part of the premium paid to ensure a prevailing market rate is paid until the next rent review, is accounted for as an increase to the rental payments and recognised on a straight-line basis over the lease term.

1.14 Provisions

Provisions are recognised when:

- the company has a present legal or constructive obligation as a result of past events;
- it is more likely than not that an outflow of resources will be required to settle the obligation; and
- the amount can be reliably estimated.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

2 Judgements and key sources of estimation uncertainty

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical judgements

The company makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

Useful economic lives of tangible assets

The assessment of the useful economic lives and the method of depreciating tangible assets require estimation. Depreciation is charged to the income statement based on the useful economic life selected, which requires an estimation of the period and profile over which the company expects to consume the future economic benefits embodied in the assets. The useful economic lives and residual values are reassessed annually.

See note 8 for the carrying amount of tangible assets and note 1 for the useful economic lives for each class of asset.

NORTHWICH V.E. LIMITED**NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)****FOR THE YEAR ENDED 31 DECEMBER 2018****3 Turnover and other revenue**

An analysis of the company's turnover is as follows:

	2018	2017
	£ 000	£ 000
Turnover analysed by class of business		
Provision of optical goods and services	841	861
	<u> </u>	<u> </u>

	2018	2017
	£ 000	£ 000
Turnover analysed by geographical market		
United Kingdom	841	861
	<u> </u>	<u> </u>

4 Employees

The average monthly number of persons (including directors) employed by the company during the year was:

	2018	2017
	Number	Number
Management	1	1
Store retail	8	8
Opticians	1	1
	<u> </u>	<u> </u>
	10	10
	<u> </u>	<u> </u>

Their aggregate remuneration comprised:

	2018	2017
	£ 000	£ 000
Wages and salaries	278	253
Social security costs	19	17
Pension costs	13	14
	<u> </u>	<u> </u>
	310	284
	<u> </u>	<u> </u>

NORTHWICH V.E. LIMITED**NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)****FOR THE YEAR ENDED 31 DECEMBER 2018****5 Directors' remuneration**

	2018	2017
	£ 000	£ 000
Remuneration for qualifying services	94	88
Company pension contributions to defined contribution schemes	12	14
	<u>106</u>	<u>102</u>

The number of directors for whom retirement benefits are accruing under defined contribution schemes amounted to 2 (2017 - 2).

6 Operating profit

	2018	2017
	£ 000	£ 000
Operating profit for the year is stated after charging:		
Fees payable to the company's auditor for the audit of the company's financial statements	1	1
Depreciation of owned tangible fixed assets	17	14
Cost of stocks recognised as an expense	211	218
Operating lease charges	25	23
	<u>254</u>	<u>256</u>

7 Taxation

	2018	2017
	£ 000	£ 000
Current tax		
UK corporation tax on profits for the current period	16	23
Adjustments in respect of prior periods	-	(3)
Total current tax	<u>16</u>	<u>20</u>
Deferred tax		
Origination and reversal of timing differences	(1)	-
Total tax charge	<u>15</u>	<u>20</u>

The total tax charge for the year is equal to (2017: lower than) the standard rate of corporation tax in the UK of 19% (2017: 19.25%).

NORTHWICH V.E. LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2018

(Continued)

The actual charge for the year can be reconciled to the expected charge for the year based on the profit or loss and the standard rate of tax as follows:

	2018 £ 000	2017 £ 000
Profit before taxation	78	119
Expected tax charge based on the standard rate of corporation tax in the UK of 19.00% (2017: 19.25%)	15	23
Tax effect of expenses that are not deductible in determining taxable profit	-	1
Adjustments in respect of prior years	-	(3)
Other timing differences	-	(1)
Taxation charge for the year	15	20

The rate of corporation tax reduced from 20% to 19% on 1 April 2017. It was announced at the 2016 Budget that from 1 April 2020 the rate will further reduce to 17%. This change became substantively enacted on 6 September 2016, and so its effect is reflected in these financial statements.

8 Tangible fixed assets

	Leasehold improvements £ 000	Fixtures, fittings & equipment £ 000	Total £ 000
Cost			
At 1 January 2018	59	250	309
Transfers	38	(38)	-
At 31 December 2018	97	212	309
Depreciation and impairment			
At 1 January 2018	10	195	205
Depreciation charged in the year	11	6	17
At 31 December 2018	21	201	222
Carrying amount			
At 31 December 2018	76	11	87
At 31 December 2017	49	55	104

NORTHWICH V.E. LIMITED**NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)****FOR THE YEAR ENDED 31 DECEMBER 2018****9 Stocks**

	2018	2017
	£ 000	£ 000
Finished goods and goods for resale	45	42
	<u> </u>	<u> </u>

Finished goods stock with a carrying value of £45,000 (2017: £42,000) has not been written down during the current, or preceding, period.

No earlier stock write down has been reversed during the current, or preceding, period.

There is no material difference between the replacement cost of stock and the carrying amount.

10 Debtors

	2018	2017
	£ 000	£ 000
Amounts falling due within one year:		
Trade debtors	25	23
Amounts owed by controlling party	17	17
Prepayments and accrued income	11	32
	<u> </u>	<u> </u>
	53	72
	<u> </u>	<u> </u>

Amounts owed by controlling party relate to the intercompany trading account which is non-interest bearing. All amounts owed by controlling party are unsecured and repayable on demand.

11 Creditors: amounts falling due within one year

	2018	2017
	£ 000	£ 000
Trade creditors	64	53
Amounts owed to controlling party	19	11
Corporation tax	7	24
Other taxation and social security	5	4
Accruals and deferred income	23	24
	<u> </u>	<u> </u>
	118	116
	<u> </u>	<u> </u>

Amounts owed to controlling party are non-interest bearing. All amounts owed to controlling party are unsecured, and repayable on demand.

Included in amounts owed to controlling party is £9,000 (2017: £Nil) due to Abbeyfield V.E. Limited. This unsecured loan is interest bearing at LIBOR + 2% and is repayable in or after the first year the company becomes cash positive.

NORTHWICH V.E. LIMITED**NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)****FOR THE YEAR ENDED 31 DECEMBER 2018****12 Creditors: amounts falling due after more than one year**

	2018	2017
	£ 000	£ 000
Amounts owed to controlling party	2	-
Accruals and deferred income	-	1
	<u>2</u>	<u>1</u>

Included in amounts owed to controlling party is £2,000 (2017: £Nil) due to Abbeyfield V.E. Limited. This unsecured loan is interest bearing at LIBOR + 2% and is repayable in or after the first year the company becomes cash positive.

13 Deferred taxation

Deferred tax assets and liabilities are offset where the company has a legally enforceable right to do so. The following is the analysis of the deferred tax balances (after offset) for financial reporting purposes:

	Liabilities	Liabilities
	2018	2017
Balances:	£ 000	£ 000
Accelerated capital allowances	-	1
	<u>-</u>	<u>1</u>
Movements in the year:		2018
		£ 000
Liability at 1 January 2018		1
Credit to profit or loss		(1)
		<u>-</u>
Liability at 31 December 2018		<u>-</u>

NORTHWICH V.E. LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2018

14 Share capital

	2018 £	2017 £
Authorised		
60 'A' Ordinary shares of £1 each	60	60
60 'B' Ordinary shares of £1 each	60	60
	<u>120</u>	<u>120</u>

Both the 'A' and 'B' ordinary shares have voting rights.

The 'B' ordinary shares entitle the holders to appoint a 'B' director who will be chairman of all board and members' meetings.

The 'A' ordinary shares entitle the holders to receive a dividend.

On a winding up the 'A' and 'B' ordinary shares rank pari passu.

15 Dividends

	2018 per share	2017 per share	2018 £ 000	2017 £ 000
'A' Ordinary shares				
Interim paid	<u>1,667.00</u>	<u>3,289.00</u>	<u>100</u>	<u>126</u>

Dividends paid during the year were split as follows £25,000 (2017: £31,500), £25,000 (2017: £31,500), £50,000 (2017: £27,500) and £Nil (2017: £35,500) to Beverley Nelson, director, Dawn Peters, director, Abbeyfield V.E. Limited, director, and Kathryn Munro, former director, respectively.
