The Oak Academy Trust
(A company limited by guarantee)

Trustees' report
For the year ended 31 August 2018

The Trustees present their annual report together with the financial statements and auditor's report of the charitable company for the 1 September 2017 to 31 August 2018. The Annual report serves the purposes of both a Trustees' report, and a Directors' report under company law.

This is our third Annual Report for The Oak Academy Trust (hereinafter, the 'Trust') and one that finds the school and Trust in a stable position but with great challenges ahead.

In May of this year, Barnham Primary School was successful in achieving a judgement of 'Good' from it's Ofsted Inspection. This judgement validated the steps taken to improve the school and the quality of education that it provides. The report paid particular attention to the important role of the Trustees and highlighted the development and improvement of the Trust body. It also complimented how focused and dynamic school improvement had led to an improvement in outcomes for children, particularly those who receive PPG funding, as well as for all children with regards spelling and reading.

Pupil outcomes for the school were mixed with strong performances for Years R and KS1, as well as end of Year 4, being tempered by weaker performances in KS2, particularly in Maths. Maths has been an ongoing concern for the school and so the Trust is now working closely with Hampshire County Council to improve the quality of teaching of maths throughout the school in order to improve outcomes for end of KS2. This is a key priority for Barnham Primary School for 2018-2019.

The Trust has continued to establish itself as a Trust that is improving. Our second CIF bid application was successful and has led to a brand new roof for the majority of the school. We have also been successful in the application of a MDIF bid. Both these successful bids in conjunction with our growing School Improvement work for the MAT group called 'FLOW' and the Schoolworks MAT indicate that the Trust is developing and effectively implementing a recognised leadership and management structure that is able to look beyond the Trust and learn from regional best practice.

Unfortunately, due to the changes introduced by the DFE on receipt of our MDIF bid; the Trust has been unable to act upon any of the plans submitted. Restrictions placed upon bids regarding access to the funding has hampered any next steps being taken. Next steps as to how the funding can support the leadership team to grow the Trust are a key priority for the Trust for 2018-2019 but is a priority which might not be able to be realised.

The financial stability of the Trust is strong. However, the reality of the financial pressures soon to be experienced as Barnham Primary School moves into 2018-2019 due to a significantly lower birth rate in Year R 2018 as well as increasing costs; will result in significant and far reaching consequences for the staff team and staff structure for the school. The steps which need to be taken will require careful and sensitive management by the Trust in order not to undo an improving picture for the school.

We look forward to the challenges and opportunities which lie ahead for us as we continue to achieve all that we can for the children, staff and communities which we serve.

Structure, governance and management

a. Constitution

The academy trust is a company limited by guarantee and an exempt charity. The charitable company's memorandum and articles of association are the primary governing documents of the academy trust. The trustees of The Oak Academy Trust are also the directors of the charitable company for the purposes of company law. The charitable company is known as The Oak Academy Trust.

Details of the Trustees who served during the are included in the Reference and administrative details on page 1.

The Oak Academy Trust
(A company limited by guarantee)

Trustees' report (continued)
For the year ended 31 August 2018

b. Members' liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £1, for the debts and liabilities contracted before they ceased to be a member.

c. Method of recruitment and appointment or election of Trustees

The management of the academy is the responsibility of the Trustees who are elected and co-opted under the terms of the Trust deed.

Trustees are appointed in accordance with the direction in the Trust's Articles and Funding Agreement as at the point of Conversion - July 2015.

d. Policies and procedures adopted for the induction and training of Trustees

Before new Trustees join the Board of Trustees they meet with the Chair of Trustees to learn more about the Trust and have the opportunity to attend a Trustee meeting, as an observer, to learn more about the role. All new Trustees are assigned a mentor and complete an induction programme. This includes:

- Meeting with the Chair of Trustees Governance Protocols, Committee Structures, Roles and Responsibilities
- Meeting with CEO Strategic Vision, Overview and Context of schools in the Trust
- Meeting with Director of Business and Finance Overview of Trust Budget and Individual School Budgets and Compliance Structures and Systems
- Meeting with Safeguarding Lead Procedure and Protocols
- Meeting with the Clerk to Trustees Meeting Structure, Communication Methods

e. Organisational structure

The Trustees meet as a board throughout the year to determine the general policy of the Trust and to review its overall management and control for which they are legally responsible.

f. Pay policy for key management personnel

There are two key management personnel for The Oak Academy Trust. The arrangements for setting the pay and remuneration of the academy's key management personnel and any benchmarks, parameters or criteria used in setting their pay is currently in line with the Pay Policy for Barnham Primary School for roles of Headteacher and School Business Manager. The policy is reviewed annually in line with national Guidance.

g. Connected organisations, including related party relationships

The Trustees complete an annual form in respect of related parties and are required to declare any interest in transactions at the start of each meeting. Details of transactions in the year with related parties are disclosed in the accounts. There are no related parties which either control or significantly influence the decisions and operations of the Academy Trust and there is no sponsor or connected charity with which the Academy Trust jointly pursues its charitable activities.

The Oak Academy Trust
(A company limited by guarantee)

Trustees' report (continued)
For the year ended 31 August 2018

Objectives and Activities

a. Objects and aims

The aim of The Oak Academy Trust is to provide Opportunity, Aspiration and Knowledge in order to elevate all. This is in accordance with the Academy Trust's objects as set out in the Memorandum of Association of The Oak Academy Trust that are specifically restricted to the following:

- to advance for the public benefit education in the United Kingdom, in particular but without prejudice to the generality of the foregoing, by establishing, maintaining, carrying on, managing and developing schools offering a broad and balanced curriculum ("the mainstream Academies") or educational institutions which are principally concerned with providing full time or part time education for children of compulsory school age who, by reason of illness, exclusion from school or otherwise, may not for any period receive suitable education unless alternative provision is made for them ("the alternative provision Academies") or 16 to 19 Academies offering a curriculum appropriate to the needs of its students ("the 16 to 19 Academies") or schools specially organised to make special educational provision for pupils with Special Educational Needs ("the Special Academies").
- to promote for the benefit of the inhabitants of the areas in which the Academies are situated the provision of facilities for recreation or other leisure time occupation of individuals who have need of such facilities by reason of their youth, age, infirmity or disablement, financial hardship or social and economic circumstances or for the public at large in the interests of social welfare and with the object of improving the condition of life of the said inhabitants.

b. Objectives, strategies and activities

The measures The Trust uses to assess success are the key performance indicators set out below together with pupil outcomes. These form part of The Oak Academy Trust Development Plan and Barnham Primary School Improvement Plan. These are monitored and reported on to the Board of Trustees on a termly basis. Pupil Outcomes are measured against national and local comparative data.

The Key Objectives for The Oak Academy Trust for the Year 2017-2018 were:

- to continue to develop the credibility of the Trust
- to continue to build a proven track record for the Trust
- to ensure sustainability of the Trust
- to seek best practice from established and successful MATs
- to continue to ensure a balanced budget and effective financial management across the Trust
- for pupil outcomes to be at least above National and Local Authority outcomes
- for pupil outcomes to be in line with schools of a similar story and context as defined by FFT
- for all schools to be Good or Outstanding as defined by Ofsted
- for all schools to be full and to have waiting lists
- for the Trust to be working with 2 schools who are judged to be RI in order to support their journey to Good.
- apply for MAT Development and Improvement Fund
- collaboration, best practice sharing, learning from at least 3 other successful and established MATs
- actively engaging with the educational community eg events/ opportunities/ information sharing
- collaborate and share with community groups and organisations the vision of the Trust in order to develop a coordinated approach to future projects and planning
- professional Development of the CEO and DBF of the Trust
- to review and improve Trust wide structure, policies, processes and mechanisms; including school improvement

In order for the Trust to grow and be seen a solution for the development of successful MATs in West Sussex.

The Oak Academy Trust
(A company limited by guarantee)

Trustees' report (continued)
For the year ended 31 August 2018

Our Strategies have been:

- apply for Academies Growth Fund
- collaboration, best practice sharing, learning from successful and established MATs including Local MAT CEO forum and West Sussex CEO forum led by the RSC
- actively engaging with the educational community e.g. events/ opportunities/ information sharing
- collaborate and share with community groups and organisations the vision of the Trust in order to develop a coordinated approach to future projects and planning
- professional Development of key management personnel of the Trust
- continue to implement and review for effectiveness and efficiency Trust wide structure, policies, processes and mechanisms
- liaise and work closely with the office of the RSC and WSCC in order to support schools or develop the Trust

c. Public benefit

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the Trust should undertake. We are satisfied that all our activities support our charitable objectives and that consideration is given to the fulfilment of these objects when new activities are considered in particular the high standard of education for the children who attend Barnham Primary School provides significant public benefit to the local community.

Barnham Primary School is an academy and therefore is its own admissions authority. The school has a Pupil Admission Number (PAN) of 45. The Trustees of Barnham Primary School applies the regulations on admissions fairly and equitably to all those who attend our school. The school participates in the Local Authority co-ordinated scheme and all dates within the scheme must be adhered to.

We are an inclusive school and we welcome all applications for admission. The only restriction we place on entry is that of number. If the children applying for entry exceeds places available, we initiate our appeals process. All applications will be treated on merit and in a sensitive manner. It is our wish to provide families with a place at our school, if that is their choice and if the application meets our criteria.

Strategic report

Achievements and performance

a. Key performance indicators

The Key Objectives for The Oak Academy Trust for the Year 2017-2018 were:

To continue to develop the credibility of the Trust and build a proven track record

- Successful CIF bid
- Successful MDIF bid
- Judgement of 'Good' from May Ofsted Inspection for Barnham Primary School

To ensure sustainability of the Trust

- The Trust has established a strong board of Trustees
- The Trust has continued to develop and improve the leadership capabilities of middle leaders and the senior leadership team
- The Trust has managed it's finances well which has resulted in a surplus

The Oak Academy Trust
(A company limited by guarantee)

Trustees' report (continued)
For the year ended 31 August 2018

To seek best practice from established and successful MATS

- The Trust has established with other successful MATs a Peer2Peer process for review and improvement and continues to meet in order to share best practice
- The Trust has become a member of a newly designed MAT Forum Group led by the CEO of Schoolsworks
- The Trust has become a member of the recently formed West Sussex CEO forum led by the RSC

To ensure a balanced budget and effective financial management across the Trust

- Barnham Primary school and The Oak Academy Trust maintained a balanced budget with a surplus

For pupil outcomes to be at least above National and Local Authority outcomes

- Pupil Outcomes are slightly above County and National outcomes for 'Good Level of Development' in Year R and slightly below for the Phonics screening in Year 1
- Pupil Outcomes are above County and National outcomes in Year 2 for Reading and Writing; and below County and National outcomes for Maths, Outcomes for Reading, Writing and Maths combined is above County and National outcomes
- Pupil Outcomes are in line with County and National outcomes in Year 6 for Reading; they are below County and National outcomes for Writing and Maths and Grammar, Punctuation and Spelling. Outcomes for Reading, Writing and Maths combined is below County and National outcomes.

For pupil outcomes to be in line with schools of a similar story and context as defined by FFT

- Barnham Primary School is above National Median Progress

For all schools to be Good or Outstanding as defined by Ofsted

- Barnham Primary School was judged as GOOD by Ofsted (May 2018)

For all schools to be full and to have waiting lists

- Barnham Primary School was undersubscribed in September 2018 due to low birth rate in the local area
- Waiting lists were in place for Barnham Primary School for all year groups except 2 and Year 5

To be working with 2 schools who are judged to be RI in order to support their journey to Good

- The Trust worked with schools from the MAT Schoolsworks to support their journey from RI to good

To apply for the MDIF

- Successful bid made

For the Trust to collaborate, best practice sharing, learning from at least 3 other successful and established MATs

- See examples recorded above

To actively engaging with the educational community eg events/ opportunities/ information sharing

- See examples recorded above
- Continuing to support the Locality of Schools and WSCC through professional groups and bodies
- Working with Hampshire County Council

To collaborate and share with community groups and organisations the vision of the Trust in order to develop a coordinated approach to future projects and planning

- Stronger relationships now in place between the Trust and the parish council, the Trust and Arun District Council, the Trust and local sporting and community groups

To further professionally development the CEO and DBF of the Trust

- See examples recorded above
- CEO CPD plan in place
- DBF CPD plan in place

To review and improve Trust wide structure, policies, processes and mechanisms; including school improvement

- Reviewed and amended as required

The Oak Academy Trust
(A company limited by guarantee)

Trustees' report (continued)
For the year ended 31 August 2018

b. Going concern

After making appropriate enquiries, the board of trustees has a reasonable expectation that the academy trust has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

Financial review

a. Financial position

The Trust receives the majority of its income from the Education Funding Agency. These funds and the associated expenditure are shown on the Statement of Financial Activities which form part of this report

A further significant income stream for the trust is received from West Sussex County Council for the operation of a 12 place Special Support Centre for children with physical disabilities and speech language and communication needs at Barnham Primary School. This income and associated expenditure is also shown on the Statement of Financial Activities.

The net expenditure/operating deficit before the actuarial adjustment to the Local Government Pension Scheme (LGPS) was £218,523. The Trust participates in the WSCC LGPS. The actuarial gain in the year was £115,000. The valuation under FRS102 show the obligations of this scheme to exceed its assets at 31 August 2018 by £322,000.

Reserves policy

The Trustees review the reserve levels of the Academy annually. This review encompasses the nature of income and expenditure streams, the need to match income with commitments and the nature of reserves.

At the balance sheet date the Academy had total funds of £3,205,163 of which £3,268,496 are restricted fixed asset funds, £173,579 restricted income reserves and £85,088 are unrestricted reserves. These are reduced by the deficit on the pension reserve of £322,000 relating to the Local Government Pension scheme.

The Academy's current level of unrestricted reserves and restricted general funds (excluding the pension reserve) is £258,667. The Trustees are satisfied with the level of reserves.

b. Investments policy

There are currently no funds available for long term investment. It is the Trustees intention to develop an investment policy when appropriate.

c. Principal risks and uncertainties

The Trustees have assessed the major risks to which the Trust is exposed and are satisfied that systems are in place to mitigate any exposure to major risks. An annual review is undertaken, and the trustees have identified the following key potential risks:

- the reputational damage caused by poor academic outcomes of Barnham Primary School
- strategic and operational disruption as well as viability of the Trust caused by inadequate governance, monitoring, reporting and compliance
- Reduced intake in Year R therefore affecting the school budget

These risks are actively monitored by the Trustees and representatives of Barnham Primary School

The Oak Academy Trust
(A company limited by guarantee)

Trustees' report (continued)
For the year ended 31 August 2018

The key controls used by the Trust to mitigate against such risks are:

- formal agendas for all Trust meetings and activities
- comprehensive strategic planning, budgeting and management reporting
- an organisation structure with clear lines of reporting and communication which is becoming more embedded.
- clear authorisation and approval levels.

Fundraising

The Oak Academy Trust recognises the vital contribution made by its supporters, with voluntary donations being a valuable part of the trust's incoming resources.

We believe that giving to charity should be a positive experience, and to help ensure that this is the case we acknowledge the damaging impact an excessively aggressive approach to fundraising can have on vulnerable people, whether from unreasonably persistent approaches being made or undue pressure to give being applied, and great care is undertaken to ensure that such practices are not adopted by the trust. To this end, all fundraising activity is carried out by our proactive and busy parents association, Many Hands. This group raises money for the school through regular activities such as school fairs, discos, film and quiz nights. All of these events are voluntary and advertised in a non-intrusive manner. Last year, as well as smaller donations to enable the school to buy resources to support the curriculum Many Hands paid for new blinds for the school hall. Many Hands is run by a committee of parents led by a chair and treasurer and operates independently from the school.

The charity does not utilise the services of any external commercial fundraisers. At this point, given that the majority of the charity's donations are from pupils' parents, the trustees do not consider it necessary to subscribe to a Fundraising Regulator.

The charity welcomes feedback on its fundraising approach and seeks to make improvements wherever it can. Any complaints received in respect of our fundraising activities are taken very seriously and are acted upon immediately. We are pleased to report that during the year no complaints were received in respect of our fundraising activity.

Plans for future periods

a. Future developments

The aim of The Oak Academy Trust is to provide Opportunity, Aspiration and Knowledge in order to elevate all.

The Key Objectives for The Oak Academy Trust for the Year 2018-2019 are:

- to work collaboratively with the RSC in order to implement the Trust's MDIF
- to continue to develop the credibility of the Trust
- to continue to build a proven track record for the Trust
- to ensure sustainability of the Trust
- to seek best practice from established and successful MATs
- to continue to ensure a balanced budget and effective financial management across the Trust
- for pupil outcomes to be at least above National and Local Authority outcomes
- for pupil outcomes to be in line with schools of a similar story and context as defined by FFT
- for all schools to be Good or Outstanding as defined by Ofsted
- for all schools to be full and to have waiting lists

The Oak Academy Trust
(A company limited by guarantee)

Trustees' report (continued)
For the year ended 31 August 2018

Disclosure of information to auditors

Insofar as the Trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware, and
- that Trustees have taken all the steps that ought to have been taken as a Trustee in order to be aware of any relevant audit information and to establish that the charitable company's auditors are aware of that information.

The Trustees' report, incorporating a strategic report, was approved by order of the board of trustees, as the company directors, on 17/12/18 and signed on its behalf by:

T Occleshaw
Chair of Trustees

The Oak Academy Trust
(A company limited by guarantee)

Governance Statement

Scope of Responsibility

As trustees, we acknowledge we have overall responsibility for ensuring that The Oak Academy Trust has an effective and appropriate system of control, financial and otherwise. However such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The board of trustees has delegated the day-to-day responsibility to the Principal, as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between The Oak Academy Trust and the Secretary of State for Education. They are also responsible for reporting to the board of trustees any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Trustees' report and in the Statement of Trustees' responsibilities. The board of trustees has formally met 4 times during the year. Attendance during the year at meetings of the board of trustees was as follows:

Trustee	Meetings attended	Out of a possible
R Wallace, Chair of Trustees	4	4
R McAuley, Parent trustee	3	4
J Everett, Head Teacher	4	4
J Potter, Parent trustee	4	4
N Schofield	3	4
I Patrick	4	4
M Draper, Staff Trustee	4	4
T Occleshaw, Chair of Trustees (from 12 July 2018)	4	4
P Wiltshire	3	4
A Jenner	3	4
M Bolch	4	4
M Emmett	3	4

Following a promotional campaign to attract new trustees, 2 new Trustees have joined the Trustee Body during the period. They bring with them experience of working in Further Education organisation and in School Improvement.

The Trustees have created and implemented a Trustee Development Plan, which outline their key priorities for 18 19; with a focus on:

- Embed the School Improvement Committee as a key committee for school improvement, including the use of Trustee visits as a mechanism for improvement
- Managing the successful implementation of a staff restructure
- Establish the new Chair of Trustees and welcome a new Trustee to the board

The Trust intends to review the action plan on a termly basis and is focused on continuing to embed skills and practices in school improvement and developing data analysis skills.

Based on the recommendations from interim audits in 15 16, a Finance, Audit and Compliance Committee was established. This has provided a more focused body to lead and analyse the value for money of the Trust together with the ability to provide more in depth scrutiny of the business and financial aspects of the Trust.

The Oak Academy Trust
(A company limited by guarantee)

Governance Statement (continued)

Attendance at meetings in the year was as follows:

Trustee	Meetings attended	Out of a possible
R Wallace	5	5
J Everett	5	5
A Jenner	5	5
T Occleshaw	5	5
N Schofield	5	5
P Wiltshire	4	5

The School Improvement Committee is also a sub-committee of the main board of trustees. This committee is responsible for performance, school improvement and our curriculum. All Trustees are members of this committee

Note: 1 meeting cancelled because of Ofsted – included in OAT meeting in July

Attendance at meetings in the year was as follows:

Trustee	Meetings attended	Out of a possible
R Wallace	1	1
M Bolch	1	1
M Draper	1	1
M Emmett	1	1
J Everett	1	1
A Jenner	0	1
R McAuley	0	1
T Occleshaw	1	1
I Patrick	1	1
J Potter	1	1
N Schofield	1	1
P Wiltshire	1	1

Review of Value for Money

As Accounting Officer, the Principal has responsibility for ensuring that the academy delivers good value in the use of public resources. The Accounting Officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The Accounting Officer considers how the academy's use of its resources has provided good value for money during each academic year, and reports to the board of trustees where value for money can be improved, including the use of benchmarking data where appropriate. The Accounting Officer for the academy has delivered improved value for money during the year by:

Staff restructuring – the reorganisation of the support and teaching staff team in order to provide best value for money after the resignation or retirement of a teacher and non-teaching members of staff.

The submission of a second successful CIF (Condition Improvement Fund) bid has enabled full replacement of the school's flat roofs. Together with providing a water tight roofing structure for the school this has released Facilities Officer time, reduced maintenance expenditure and enabled reserves to be released that were earmarked for issues as they arose.

The FACC is now fully established and works closely with the DBF in order to explore effective solutions in order for the school and Trust to continue to provide good value for money.

The Oak Academy Trust
(A company limited by guarantee)

Governance Statement (continued)

The Purpose of the System of Internal Control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of academy policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in The Oak Academy Trust for the year 1 September 2017 to 31 August 2018 and up to the date of approval of the annual report and financial statements.

Capacity to Handle Risk

The board of trustees has reviewed the key risks to which the academy is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The board of trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the academy's significant risks, that has been in place for the year 1 September 2017 to 31 August 2018 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the board of trustees.

The Risk and Control Framework

The academy's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the board of trustees;
- regular reviews by the FACC of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines.
- delegation of authority and segregation of duties;
- identification and management of risks.

The board of trustees has considered the need for a specific internal audit function and has decided not to appoint an internal auditor. However, the Trustees have appointed Kreston Reeves LLP, the external auditors, to perform additional checks.

The auditors' role includes giving advice on financial matters and performing a range of checks on the academy's financial systems. In particular the checks carried out in the current period included:

- testing of payroll systems
- testing of purchase systems
- testing of income systems
- testing of control account/ bank reconciliations
- testing of health and safety record keeping
- testing of data protection compliance
- testing of key policies and procedures

On a semi-annual basis, the external auditors report to the board of trustees through the finance and general purposes committee on the operation of the systems of control and on the discharge of the board of trustees' financial responsibilities.

The Oak Academy Trust
(A company limited by guarantee)

Governance Statement (continued)

Review of Effectiveness

As Accounting Officer, the Principal has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the external auditors;
- the financial management and governance self-assessment process;
- the work of the executive managers within the academy who have responsibility for the development and maintenance of the internal control framework.

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the internal and external auditors and a plan to address weaknesses and ensure continuous improvement of the system is in place.

Approved by order of the members of the board of trustees on 17/12/18 and signed on their behalf, by:

T Occleshaw
Chair of Trustees

 17.12.18.
J Everett
Accounting Officer

The Oak Academy Trust
(A company limited by guarantee)

Statement on Regularity, Propriety and Compliance

As Accounting Officer of The Oak Academy Trust I have considered my responsibility to notify the academy trust board of trustees and the Education & Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding received by the academy trust, under the funding agreement in place between the academy trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2017.

I confirm that I and the academy trust board of trustees are able to identify any material irregular or improper use of funds by the academy trust, or material non-compliance with the terms and conditions of funding under the academy trust's funding agreement and the Academies Financial Handbook 2017.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of trustees and ESFA.

 17.12.18.

J Everett
Accounting Officer

The Oak Academy Trust
(A company limited by guarantee)

Statement of Trustees' responsibilities
For the year ended 31 August 2018

The Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with the Annual Accounts Direction issued by the Education & Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2015 and the Academies Accounts Direction 2017 to 2018;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from ESFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Approved by order of the members of the board of trustees on 17/12/18 and signed on its behalf by:

T Occleshaw
Chair of Trustees

The Oak Academy Trust
(A company limited by guarantee)

Independent auditors' report on the financial statements to the members of The Oak Academy Trust

Opinion

We have audited the financial statements of The Oak Academy Trust (the 'academy') for the year ended 31 August 2018 which comprise the Statement of financial activities incorporating income and expenditure account, the Balance sheet, the Statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities SORP 2015 and the Academies Accounts Direction 2017 to 2018 issued by the Education & Skills Funding Agency.

In our opinion the financial statements:

- give a true and fair view of the state of the academy's affairs as at 31 August 2018 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2015 and the Academies Accounts Direction 2017 to 2018 issued by the Education & Skills Funding Agency.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the academy in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the academy's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The Trustees are responsible for the other information. The other information comprises the information included in the Annual report, other than the financial statements and our Auditors' report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are

The Oak Academy Trust
(A company limited by guarantee)

Independent auditors' report on the financial statements to the members of The Oak Academy Trust

required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' report including the Strategic report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Trustees' report and the Strategic report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the academy and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' report including the Strategic report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' responsibilities, the Trustees (who are also the directors of the academy for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the academy's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the academy or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' report.

The Oak Academy Trust

Independent auditors' report on the financial statements to the members of The Oak Academy Trust

Use of our report

This report is made solely to the academy's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the academy's members those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the academy and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

Date:

18th December 2018

The Oak Academy Trust
(A company limited by guarantee)

Independent reporting accountants' assurance report on regularity to The Oak Academy Trust and the Education & Skills Funding Agency

In accordance with the terms of our engagement letter dated 11 July 2016 and further to the requirements of the Education & Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2017 to 2018, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by The Oak Academy Trust during the year 1 September 2017 to 31 August 2018 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to The Oak Academy Trust and the ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to The Oak Academy Trust and the ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than The Oak Academy Trust and the ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of The Oak Academy Trust's accounting officer and the reporting accountant

The Accounting Officer is responsible, under the requirements of The Oak Academy Trust's funding agreement with the Secretary of State for Education dated 19 June 2015, and the Academies Financial Handbook extant from 1 September 2017, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2017 to 2018. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2017 to 31 August 2018 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Academies Accounts Direction 2017 to 2018 issued by the ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy's income and expenditure.

The Oak Academy Trust
(A company limited by guarantee)

Independent reporting accountants' assurance report on regularity to The Oak Academy Trust and the Education & Skills Funding Agency (continued)

Work undertaken

The work undertaken to draw our conclusion includes:

- Reviewed expenditure against specific terms of grant funding within the funding agreement
- Ensured that grants have been applied for the purposes intended
- Confirmed internal control procedures exist relating to expenditure incurred of cash
- Confirmed items claimed on cash are not for personal benefit
- Reviewed expenditure and considered whether any supply from related parties
- Reviewed minutes for declarations of interest
- Considered whether other income activities are permitted within the Academy Trust's charitable objects.
- Considered if borrowing agreements, including leases, have been made in accordance with the Academies Financial handbook
- Confirmed that procurement and tendering procedures exist relating to expenditure and have been complied with.

Conclusion

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the year 1 September 2017 to 31 August 2018 have not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

The Oak Academy Trust
(A company limited by guarantee)

Notes to the financial statements
For the year ended 31 August 2018

1. Accounting policies

The Oak Academy Trust is a charitable company limited by guarantee and an exempt charity incorporated in England and Wales. The registered office is Elm Grove, Barnham, Bognor Regis, West Sussex, PO22 0HW. The principal activity of the academy trust is to provide primary education for pupils that satisfies the requirements of the Education Act 2002.

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgments and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation of financial statements

The financial statements of the academy trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2017 to 2018 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

The Oak Academy Trust constitutes a public benefit entity as defined by FRS 102.

1.2 Going concern

The Trustees assess whether the use of going concern is appropriate, i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the academy to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the academy trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the academy trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

The Oak Academy Trust
(A company limited by guarantee)

Notes to the financial statements
For the year ended 31 August 2018

1. Accounting policies (continued)

1.3 Income

All income is recognised once the academy has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of financial activities incorporating income and expenditure account on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of financial activities incorporating income and expenditure account in the year for which it is receivable and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended. Unspent amounts of capital grant are reflected in the balance in the restricted fixed asset fund.

Sponsorship income provided to the academy which amounts to a donation is recognised in the Statement of financial activities incorporating income and expenditure account in the period in which it is receivable, where receipt is probable and it is measurable.

Donations are recognised on a receivable basis where receipt is probable and the amount can be reliably measured.

Other income, including the hire of facilities, is recognised in the period in which it is receivable and to the extent the goods have been provided or on completion of the service.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities are costs incurred on the academy's educational operations, including support costs and those costs relating to the governance of the academy appointed to charitable activities.

Notes to the financial statements
For the year ended 31 August 2018

1. Accounting policies (continued)

1.5 Tangible fixed assets and depreciation

All assets costing more than £500 are capitalised and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of financial activities incorporating income and expenditure account and carried forward in the Balance sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of financial activities incorporating income and expenditure account. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land, at rates calculated to write off the cost of these assets, less their estimated residual value, over their expected useful lives on the following bases:

Leasehold property	-	Over length of lease - 125 years
Leasehold improvements	-	20 years
Fixtures, fittings and equipment	-	5 years
Computer equipment	-	3 years

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of financial activities incorporating income and expenditure account.

1.6 Operating leases

Rentals under operating leases are charged to the Statement of financial activities incorporating income and expenditure account on a straight line basis over the lease term.

1.7 Stocks

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

1.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.9 Cash at Bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

The Oak Academy Trust
(A company limited by guarantee)

Notes to the financial statements
For the year ended 31 August 2018

1. Accounting policies (continued)

1.10 Liabilities and provisions

Liabilities and provisions are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the academy anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

1.11 Financial instruments

The academy only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the academy and their measurement basis are as follows:

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 15.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised costs as detailed in note 16. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instruments.

1.12 Taxation

The academy is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the academy is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1.13 Pensions

Retirement benefits to employees of the academy trust are provided by the Teachers' Pension Scheme ("TPS") and the Local Governments Pension Scheme ("LGPS"). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the academy in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. As stated in note 21, the TPS is a multi-employer scheme and there is insufficient information available to use defined benefit accounting. The TPS is therefore treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The Oak Academy Trust
(A company limited by guarantee)

Notes to the financial statements
For the year ended 31 August 2018

1. Accounting policies (continued)

The LGPS is a funded scheme and the assets are held separately from those of the academy trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each Balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of financial activities incorporating income and expenditure account and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

1.14 Agency arrangements

The academy trust acts as an agent in distributing local authority funds from West Sussex County Council (WSCC). Payments received from WSCC are excluded from the statement of financial activities as the trust does not have control over the charitable application of the funds. The trust is also allocated a portion of the funding towards its own administration costs and this is recognised in the statement of financial activities. The funds received and paid and any balances held are disclosed in note 25.

1.15 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the academy at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

The Oak Academy Trust
(A company limited by guarantee)

Notes to the financial statements
For the year ended 31 August 2018

1. Accounting policies (continued)

1.16 Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost (income) for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 21, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 August 2017 has been used by the actuary in valuing the pensions liability at 31 August 2018. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

Critical areas of judgment:

Lease commitments - The academy trust has entered into lease commitments in respect of plant and equipment. The classification of these leases as operating leases requires the trustees to consider whether the terms and conditions of each lease are such that the academy trust has acquired the risks and rewards associated with the ownership of the underlying assets.

Multi-employer defined benefit pension scheme - Certain employees participate in a multi-employer defined benefit pension scheme with other companies in the region. In the judgement of the trustees, the academy trust does not have sufficient information on the plan assets and liabilities to be able to reliably account for its share of the defined benefit obligation and plan assets. Therefore the scheme is accounted for as a defined contribution scheme.

Local Government Pension Scheme - The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost (income) for pensions include the discount rate. Any changes in these assumptions will impact the carrying amount of the pension liability.

Tangible fixed assets - The academy tangible fixed assets are stated at their cost less provision for depreciation and impairment. The academy's accounting policy sets out the approach to calculating depreciation for immaterial assets acquired. For material assets such as land and buildings the academy determines at acquisition the reliable estimates for the useful life of the asset and its residual value. These estimates are based upon factors such as the expected use of the acquired asset and market conditions. At subsequent reporting dates the trustees consider whether there are any factors that indicate that there would be a need to reconsider the estimates used.

Auditors' remuneration - other services	5,440	3,855
	<u>56,130</u>	<u>44,426</u>

9. Auditors' remuneration

The Auditor's remuneration amounts to an Audit fee of £6,200 (2017 - £6,000), and fees for other services of £5,440(2017 - £3,855).

The Oak Academy Trust
(A company limited by guarantee)

Notes to the financial statements
For the year ended 31 August 2018

10. Staff costs

a. Staff numbers

The average number of persons employed by the academy during the year was as follows:

	2018	2017
	No.	No.
Teachers	17	18
Administration and support	27	25
Management	2	2
	46	45

b. Higher paid staff

The number of employees whose employee benefits (excluding employer pension costs) exceeded £60,000 was:

	2018	2017
	No.	No.
In the band £60,001 - £70,000	1	1

The above employee participated in the Teachers' Pension Scheme. During the period ended 31 August 2018, pension contributions for this staff member amounted to £11,077 (2017: £10,257).

c. Key management personnel

The key management personnel of the academy trust comprise the trustees and the senior management team as listed on the information page. The total amount of employee benefits (including employer pension contributions) received by key management personnel for their services to the academy trust was £184,251 (2017: £181,294). The academy trust made employers national insurance contributions relating to these employees of £18,148 (2017: £17,761).

Salaries

	2018	2017
	£	£
Wages and salaries	905,050	902,219
Social security costs	78,180	71,228
Operating costs of defined benefit pension schemes	154,953	256,632
Supply teacher costs	28,779	20,997
Total	1,166,962	1,251,076

(A company limited by guarantee)

Notes to the financial statements
For the year ended 31 August 2018

11. Trustees' remuneration and expenses

One or more Trustees has been paid remuneration or has received other benefits from an employment with the academy. The Principal and other staff Trustees only receive remuneration in respect of services they provide undertaking the roles of principal and other staff members under their contracts of employment, and not in respect of their role as Trustees. The value of Trustees' remuneration and other benefits was as follows:

		2018 £	2017 £
J Everett, Staff governor and Accounting officer	Remuneration	65,000-70,000	60,000-65,000
	Pension contributions paid	10,000-15,000	10,000-15,000
N Schofield, Staff governor	Remuneration	35,000-40,000	35,000-40,000
	Pension contributions paid	5,000-10,000	5,000-10,000
M Draper, Staff governor	Remuneration	50,000-55,000	50,000-55,000
	Pension contributions paid	5,000-10,000	5,000-10,000

During the year ended 31 August 2018, no Trustees received any reimbursement of expenses (2017 - £39 to 1 Trustees).

12. Trustees' and Officers' Insurance

In accordance with normal commercial practice the academy has purchased insurance to protect trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy business. The insurance provides cover up to £2,000,000 on any one claim and the cost for the year ended 31 August 2018 was £109 (2017 - £548).

13. Tangible fixed assets

	Land and buildings £	Fixtures and fittings and equipment £	Total £

The specific purposes for which the funds are to be applied are as follows:

General Annual Grant must be used for the normal running costs of the Trust. Under the Funding agreement with the Secretary of State, the academy trust was not subject to a limit on the amount of GAG that it could carry forward at 31 August 2017 or 31 August 2018.

Other DfE/EFA grants consist of grants received for pupil premium, sport expenditure and universal free school meals.

Local authority grants mainly consist of grants received for the special support centre.

Activities other income include school trip, rent and school club income. In addition, included is also uniform sales and income received for mentoring university students.

21. Pension commitments

The academy's employees belong to two principal pension schemes: the Teachers' Pension Scheme for England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by the local authority. Both are Multi-employer defined benefit pension schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2012 and of the LGPS 31 August 2017.

There were no outstanding or prepaid contributions at either the beginning or the end of the financial year.

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pensions Regulations (2010) and, from 1 April 2014, by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies and, from 1 January 2007, automatic for teachers in part-time employment following appointment or a change of contract, although they are able to opt out.

The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis – these contributions along with those made by employers are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2012 and in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014. The valuation report was published by the Department for Education on 9 June 2014. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 16.48% of pensionable pay, including a 0.08% employer administration charge.
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £191,500 million, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £176,600 million giving a notional past service deficit of £14,900 million
- an employer cost cap of 10.9% of pensionable pay will be applied to future valuations
- the assumed real rate of return is 3.0% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.75%. The assumed nominal rate of return is 5.06%.

The TPS valuation for 2012 determined an employer rate of 16.4%, which was payable from September 2015. The next valuation of the TPS is currently underway based on April 2016 data, whereupon the employer contribution rate is expected to be reassessed and will be payable from 1 April 2019.

The employer's pension costs paid to TPS in the period amounted to £99,316 (2017 - £100,636).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (www.teacherspensions.co.uk/news/employers/2014/06/publication-of-the-valuation-report.aspx).

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The

The Oak Academy Trust
(A company limited by guarantee)

Notes to the financial statements
For the year ended 31 August 2018

21. Pension commitments (continued)

trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit scheme, with assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2018 was £82,000 (2017 - £90,000), of which employer's contributions totalled £66,000 (2017 - £73,000) and employees' contributions totalled £16,000 (2017 - £17,000). The agreed contribution rates for future years are 14.6% for employers and 5.5% to 12.5% for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

Local government pension scheme

Principal actuarial assumptions:

	2018	2017
Discount rate for scheme liabilities	2.80 %	2.50 %
Rate of increase in salaries	3.10 %	3.10 %
Rate of increase for pensions in payment / inflation	2.40 %	2.40 %

24. Related party transactions

Owing to the nature of the academy trust and the composition of the board of trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which Trustees have an interest. All transactions involving such organisations are conducted in accordance with the requirements of the AFH and with the trust's financial regulations and normal procurement procedures relating to connected and related party transactions.

Further to the related party transactions disclosed below, trustees' remuneration and expenses already disclosed in note 11.

During the year K Patrick, the partner of I Patrick (trustee), received remuneration on an employed basis as a member of support staff of between £10,000 - £20,000 (2017: £10,000 - £20,000).

During the year V Hanscombe, the partner of M Emmett (trustee), received remuneration on an employed basis as a member of support staff of between £0 - £10,000 (2017: £Nil).

25. Agency Arrangements

During the period, the academy ceased to act as an agent for West Sussex County Council in distributing locality funding to other schools in the area. In the accounting period ending 31 August 2018 the trust received £Nil (2017: £39,596) and disbursed £29,405 (2017: £25,724) from the fund. The balance of £Nil (2017: £29,405) is excluded from the accounts under the Academies Account Direction 2017 to 2018.
