Financial Control

The directors acknowledge responsibility for the company's system of internal financial control and believe the established systems including the computerisation of the

company's financial accounts are appropriate to the business. No material losses or contingencies have arisen during the 12 months trading period that would require disclosure by the directors.

Having formed an opinion at the time of approving these accounts it is the intention of the directors to continue to support the company financially, the profits earned and retained within the company being sufficient to ensure the company has adequate resources to continue existing trading policies and the directors have adopted a going concern basis in preparing the accounts.

It is the view of the directors that the accounts presented represent a true and fair view of the state of affairs of the company and result for the 12 months to 30/04/2017. Suitable accounting policies have been established and applied consistently and disclose with reasonable accuracy the financial position of the company.
