NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2018

1. General information

S.P. Barrett Limited is a private limited company (registered number 01842567), incorporated in England and Wales. The address of its registered office is The Coach House, 303 Willington Road, Kirton End Boston, Lincolnshire, PE20 1NR.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

The following principal accounting policies have been applied:

2.2 Revenue

Turnover comprises revenue recognised by the Company in respect of goods and services supplied during the year, net of VAT.

Turnover is recognised upon acceptance by the customer, when the goods have been supplied or the date the service is rendered.

2.3 Pensions

The Company operates a defined contribution plan for its employees. Once the contributions have been paid the Company has no further payment obligations.

The contributions are recognised as an expense in the statement of retained earnings when they fall due. Amounts not paid are shown in accruals as a liability in the Balance Sheet. The assets of the plan are held separately from the Company in independently administered funds.

2.4 Current and deferred taxation

Current tax and deferred tax charges are calculated on the basis of tax rates and laws that have been enacted or substantially completed by the balance sheet date.

2.5 Tangible fixed assets

Tangible fixed assets under the cost model are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2018

2. Accounting policies (continued)

2.5 Tangible fixed assets (continued)

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, as stated below.

Depreciation is provided on the following basis:

Freehold property

- over the life of the lease

Plant and machinery

- 10% straight line

Motor vehicles

- 20% straight line

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in the Statement of income and retained earnings.

2.6 Debtors

Short term debtors and loans receivable are measured at transaction price, less any impairment.

2.7 Creditors

Short term creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

2.8 Financial instruments

The Company only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities like trade and other debtors and creditors, loans to/from related parties and investments in subsidiary companies.

2.9 Dividends

Dividends are recognised when they become legally receivable. Dividends receivable but not received at the balance sheet date are recognised within debtors.

3. Employees

The average monthly number of employees, including the directors, during the year was 3 (2017: 4)
